- Ongoing dialogue with EAS senior leaders to consider proposals.
- Regular discussion at regional meetings to encourage consistency across the 5 local authorities.
- Discussion with Education Senior Management Team; Corporate Management Team; / Cabinet Member for Education.
- Consultation on this proposal was undertaken as part of the Authority's 24/25 consultation process.

Update following a period of public consultation:

The council's public consultation on the draft budget proposals for 2024/25 ran from Monday 22nd January 2024 until Tuesday 13th February 2024.

Residents and other stakeholder groups were invited to offer their views on the proposals in a number of ways. This included a survey (available online and in paper formats), attending faceto-face engagement sessions, using the council's online digital engagement platform and targeted stakeholder engagement with potentially impacted groups.

337 responses to the consultation were received by the closing date. A low response rate such as this comes with the caveat of self-selecting bias in the response and local media has focused attention on a small number of issues.

Face-to face conversations have had low levels of attendance (less than 10 visitors per session) with the exception of Caerphilly where over 40 people attended. A meeting was held with 9 Viewpoint Panel members and one person attended an online drop-in session.

The full consultation feedback report will be available at <u>Council Budget Setting 2024-2025 | The Caerphilly Conversation</u>
