

# EQUALITY IMPACT ASSESSMENT FORM

October 2018

## THE COUNCIL'S EQUALITIES STATEMENT

This Council recognises that people have different needs, requirements and goals and we will work actively against all forms of discrimination by promoting good relations and mutual respect within and between our communities, residents, elected members, job applicants and workforce.

We will also work to create equal access for everyone to our services, irrespective of ethnic origin, sex, age, marital status, sexual orientation, disability, gender reassignment, religious beliefs or non-belief, use of Welsh language, BSL or other languages, nationality, responsibility for any dependents or any other reason which cannot be shown to be justified.

The Council is required to have due regard to the need to:

- eliminate unlawful discrimination, harassment and victimisation and other conduct that is prohibited by the Equality Act 2010
- advance equality of opportunity between people who share a relevant protected characteristic and those who do not
- foster good relations between people who share a protected characteristic and those who do not.

The Act explains that having due regard for advancing equality involves:

- removing or minimising disadvantages experienced by people due to their protected characteristics
- taking steps to meet the needs of people from protected groups where these are different from the needs of other people
- encouraging people with protected characteristics to participate in public life or in other activities where their participation is disproportionately low.

The protected characteristics are:

- Age
- Disability
- Gender Re-assignment
- Marriage and Civil Partnership
- Pregnancy and Maternity
- Race
- Religion, Belief or Non-Belief
- Sex
- Sexual Orientation
- Welsh Language\*

\* The Welsh language is not identified as a protected characteristic under the Equality Act 2010, however in Wales we also have to treat Welsh and English on an equal basis as well as promoting and facilitating the use of the Welsh language.

Further advice on completing impact assessments can be found on the equalities pages of Corporate Policy Unit Portal.

**\*Throughout this Equalities Impact Assessment Form, ‘proposal’ is used to refer to what is being assessed, and therefore includes policies, strategies, functions, procedures, practices, initiatives, projects and savings proposals.**

The aim of an Equality Impact Assessment (EIA) is to ensure that Equalities and Welsh Language issues have been proactively considered throughout the decision making processes governing work undertaken by every service area in the Council as well as work done at a corporate level.

The Council’s work across Equalities, Welsh Language and Human Rights is covered in more detail through the [Equalities and Welsh Language Objectives and Action Plan 2016-2020](#).

When carrying out an EIA you should consider both the positive and negative consequences of your proposals. If a project is designed for a specific group e.g. disabled people, you also need to think about what potential effects it could have on other areas e.g. young people with a disability, BME people with a disability.

There are a number of supporting guidance documents available on the [Corporate Policy Unit Portal](#) and the Council’s Equalities and Welsh Language team can provide advice as the EIA is being developed. Please note that the team does not write EIAs on behalf of service areas, the support offered is in the form of advice, suggestions and in effect, quality control.
