

EQUALITY IMPACT ASSESSMENT FORM

October 2018

THE COUNCIL'S EQUALITIES STATEMENT

This Council recognises that people have different needs, requirements and goals and we will work actively against all forms of discrimination by promoting good relations and mutual respect within and between our communities, residents, elected members, job applicants and workforce.

We will also work to create equal access for everyone to our services, irrespective of ethnic origin, sex, age, marital status, sexual orientation, disability, gender reassignment, religious beliefs or non-belief, use of Welsh language, BSL or other languages, nationality, responsibility for any dependents or any other reason which cannot be shown to be justified.

The Council is required to have due regard to the need to:

- eliminate unlawful discrimination, harassment and victimisation and other conduct that is prohibited by the Equality Act 2010
- advance equality of opportunity between people who share a relevant protected characteristic and those who do not
- foster good relations between people who share a protected characteristic and those who do not.

The Act explains that having due regard for advancing equality involves:

- removing or minimising disadvantages experienced by people due to their protected characteristics
- taking steps to meet the needs of people from protected groups where these are different from the needs of other people
- encouraging people with protected characteristics to participate in public life or in other activities where their participation is disproportionately low.

The protected characteristics are:

- Age
- Disability
- Gender Re-assignment
- Marriage and Civil Partnership
- Pregnancy and Maternity
- Race
- Religion, Belief or Non-Belief
- Sex
- Sexual Orientation
- Welsh Language*

* The Welsh language is not identified as a protected characteristic under the Equality Act 2010, however in Wales we also have to treat Welsh and English on an equal basis as well as promoting and facilitating the use of the Welsh language.

Further advice on completing impact assessments can be found on the equalities pages of Corporate Policy Unit Portal.

***Throughout this Equalities Impact Assessment Form, ‘proposal’ is used to refer to what is being assessed, and therefore includes policies, strategies, functions, procedures, practices, initiatives, projects and savings proposals.**

The aim of an Equality Impact Assessment (EIA) is to ensure that Equalities and Welsh Language issues have been proactively considered throughout the decision making processes governing work undertaken by every service area in the Council as well as work done at a corporate level.

The Council’s work across Equalities, Welsh Language and Human Rights is covered in more detail through the [Equalities and Welsh Language Objectives and Action Plan 2016-2020](#).

When carrying out an EIA you should consider both the positive and negative consequences of your proposals. If a project is designed for a specific group e.g. disabled people, you also need to think about what potential effects it could have on other areas e.g. young people with a disability, BME people with a disability.

There are a number of supporting guidance documents available on the [Corporate Policy Unit Portal](#) and the Council’s Equalities and Welsh Language team can provide advice as the EIA is being developed. Please note that the team does not write EIAs on behalf of service areas, the support offered is in the form of advice, suggestions and in effect, quality control.

Contact equalities@caerphilly.gov.uk for assistance.

PURPOSE OF THE PROPOSAL

1	<p>What is the proposal intended to achieve? <i>(Please give a brief description and outline the purpose of the new or updated proposal by way of introduction.)</i></p> <p>The proposal is to withdraw CCBC's match funding for the Bargoed Ice Rink and the Splash Pad in Senghenydd.</p> <p>The Bargoed Ice Rink is currently partly funded by Bargoed Town Council and the CCBC Communities Match Funding budget.</p> <p>The Senghenydd Splash Pad is currently funded by Aber Valley Community Council and the CCBC Communities Match Funding.</p> <p>This will be a saving of £15k.</p>
----------	--

2	<p>Who are the service users affected by the proposal? <i>(Who will be affected by the delivery of this proposal? e.g. staff members, the public generally, or specific sections of the public i.e. youth groups, carers, road users, people using country parks, people on benefits etc. Are there any data gaps?)</i></p> <p><u>Bargoed Ice Rink</u> Bargoed Ice Rink 2017-2018 – Event Footfall 1,219 (excluding school visits)</p> <p>The Bargoed Ice Rink attracted 46% of total admissions through school groups which in 2017/18 was an additional 1,021 to the above figure.</p> <p><u>Senghenydd Splash Pad</u> Caerphilly County Borough Council does not play an active part in the management of this facility. The financial contribution has been made to assist with the facility's operation and management.</p>
----------	---

IMPACT ON THE PUBLIC AND STAFF

3	<p>Does the proposal ensure that everyone has an equal access to all the services available or proposed, or benefits equally from the proposed changes, or does not lose out in greater or more severe ways due to the proposals? <i>(What has been done to examine whether or not these groups have equal access to the service, or whether they need to receive the service in a different way from other people?)</i></p> <p>The withdrawal of the match funding will place an additional burden on Bargoed Town Council to consider making up the shortfall in funding and may possibly lead to the ice rink not taking place from 2019 onwards.</p> <p>The removal of the match funding for the Splash Pad could have an impact on the viability of the facility. However, the Partnership would need to obtain other sources of grant income (which are not available to the Council) to replace the lost revenue.</p>
----------	---

4 **Is your proposal going to affect any people or groups of people with protected characteristics?**
(Has the service delivery been examined to assess if there is any indirect effect on any groups? Could the consequences of the policy or savings proposal differ dependent upon people's protected characteristics?)

Protected Characteristic	Positive, Negative, Neutral	Relevance of the Policy or Practice	
Age	Negative	If the splash pad were to close due to the lack of funding, it could have an adverse effect on young people/children.	The withdrawal of match-funding for Bargoed Ice Rink does not directly impact these groups.
Disability	Neutral	The withdrawal of the match-funding for the Splash Pad does not directly impact these groups.	
Gender Reassignment	Neutral		
Marriage & Civil Partnership	Neutral		
Pregnancy and Maternity	Neutral		
Race	Neutral		
Religion & Belief	Neutral		
Sex	Neutral		
Sexual Orientation	Neutral		

5 **In line with the requirements of the Welsh Language Standards. (No.1) Regulations 2015, please note below what effects, if any (whether positive or adverse), the proposal would have on opportunities for persons to use the Welsh language, and treating the Welsh language no less favourably than the English language.**
(The specific Policy Making Standards requirements are Standard numbers 88, 89, 90, 91, 92 and 93. The full detail of each Standard is available on the Corporate Policy Unit Portal. Although it is important that what is outlined in the proposal is available in Welsh and English, please consider wider impacts on Welsh speakers.)

6	<p>Please outline any evidence and / or research you have collected which supports the proposal? This can include an analysis of service users. <i>(Is this service effectively engaging with all its potential users or is there higher or lower participation of uptake by one or more protected characteristic groups? If so, what has been done to address any difference in take up of the service? Does any savings proposal include an analysis of those affected?)</i></p> <p><u>Bargoed Ice Rink</u> Bargoed Ice Rink 2017-2018 – Event Footfall 1,219 (excluding school visits)</p> <p>The Bargoed Ice Rink attracted 46% of total admissions through school groups which in 2017/18 was an additional 1,021 to the above figure.</p> <p>An analysis of social media (Facebook) data shows that visitors expressing an intention to attend the Bargoed Ice Rink are predominately female at 91% compared to 9% of males expressing an interest to attend.</p> <p>The same data shows us that the age range for attending the Bargoed Ice Rink is of the age range 25 – 34.</p> <p><u>Senghenydd Splash Pad</u> Caerphilly County Borough Council does not play an active part in the management of this facility. 12	<p>What wider use will you make of this Equality Impact Assessment? <i>(What use will you make of this document i.e. as a consultation response, appendix to approval reports, publicity etc. in addition to the mandatory action shown below?)</i></p> <p>The process of considering these matters will feed into the Council's 2019/20 draft budget proposals for public consultation, which includes, online Consultation, Newline, drop-in sessions and a Viewpoint Panel meeting.</p> <p>The EIA will be attached to the report proposing the change to be approved which will be published on the Council's website.</p>
