Crumlin Park	?	?
Cwm Darren Park	In Cwm Darren toilet facilities are fine 10 - 4 at the visitor centre but this is closed October to March and in the evenings. Many people visit on fine summer evenings or in the winter but no toilets. Toilets are only available in one place yet it is a big park	
	In the cafe area there are toilets but not enough and there should be more at the opposite end of the park.	
	Nice park, good local cycle route	What are the facilities exactly? I have no idea. I visited in June on a Sunday day time and there were none. You would expect some facilities particularly if you are charging at the car park. Apparently my daughter visited recently in august and there was a toilet and café open. Where is the information about this so a visit can be planned?

Attraction	Good quality toilet and changing facilities	Poor quality toilet and changing facilities
		If I am cycling a distance to visit or am bringing my three young grandchildren, 2 in nappies, in a car to visit, I expect to find an open toilet and changing facilities at the very least, during daylight hours regardless of the time of year. If the park is open so should the toilets be. If you want the local population to be active all year round then make it possible to have a wee when out please.
	They are clean and well cared for but only when the visitor centre is open

Islwyn Park	There are none available	
Llanbradach	There are no toilets available, Llanbradach has a big park and a small village centre. Public toilets would be very useful to bring visitors into the village. Llancaiach Fawr	The main building facilities are good overall.	Sometimes the toilets are blocked and the seats are damaged in the education block.

Attraction	Good quality toilet and changing facilities	Poor quality toilet and changing facilities
Llancaiach Fawr, Pen-Y-Fan Pond	None.	As an adult with a physical disability, there is nowhere in the borough I can use the toilet, as I use an electric stand aid hoist. Also the space between the sink and the toilet is to close, there should be more room to access the toilet from straight on, as not everyone is able to transfer and/or use a tracking hoist.
Morgan Jones Park	Lovely park well maintained	Awful toilets
	There aren't any!	The toilets in Morgan Jones park are absolutely disgusting, not fit for dogs never mind humans

	None that I am aware of	Parks generally fall well below what I consider adequate facilities
	The toilets at The Old Library but you have to pay for food to use them.	The actual park toilets are horrible. Not pleasant for tourists or locals.
	Playground is very good.	
	I use the toilets in the Cafe the Old Library, they have done up the toilets in Morgan Jones park. I never seen these open when I have walked passed during the summer holidays. The old toilets were disgusting they were the old metal toilets. I am hoping that the new toilets will be open more soon.	Again never seen them open. I am not sure through are they still working on them?
		The toilet block is old, small and in need of refurbishment.

		I think there is a single toilet at Parc Penallta but I'm not sure. It's placed in the open, near the main car park. I would be too embarrassed to use this even if it were a toilet.

	As far as I know there are none available, there are toilets in the bowling club but I don't think the general public may use these.	In Penyrheol Park there are no public toilet facilities at all, which there should be. The toilets that were there were removed and not replaced.
