**To achieve the required savings, the proposals are based on a council tax increase of 6.95% for 2019/20. Please select one of the following options to tell us your preference about council tax. Please select ONE only.**

- I support the proposed increase in council tax (6.95%) which would mean an increase of £1.41 per week for a Band D property
- I support a **lower increase** in Council Tax. (Every 1% reduction from the proposed 6.95% would mean having to find a further £496k of savings)
- I support a **greater increase** in Council Tax. (Every 1% increase above the proposed 6.95% would means having to find £496k less savings)
- I do not support an increase in Council Tax and understand that this would mean having to find further savings to balance the budget.

**Looking forward to 2020 and beyond, please tell us if you have any suggestions for areas of spending that could be reduced, removed, or that service users could be charged for.**
