Appendix 3: Bypassing Criteria

- 2.1 This appendix to the common allocation policy sets out the circumstances where any of the landlords party to this policy may bypass an applicant who is next in line to be made an offer of accommodation.
- 2.2 All landlords agree that:
- (i) blanket bans should not be used; and
 - (ii) bypassing an applicant who would be next in line for an offer of accommodation will only be taken according to the criteria agreed and set out in this policy.
- 2.3 Although landlords may wish to retain:
- (i) exception rules that do not form part of the common allocation policy, e.g. rules relating to the size of accommodation to be offered; and
 - (ii) exemption rules in relation to domestic household pets.
- 2.3 All parties have agreed, as far as possible, to abide by a common set of rules and to keep exceptions to a minimum but all recognise the need for each organisation to manage their dwellings appropriately.
- 2.4 To support the efficient operation of this policy, the Housing Assessment Panel will meet monthly, or more frequently if parties agree, to review cases due an offer of housing, where their circumstances may lead to the applicant being bypassed or where there are exceptional circumstances that do not fit the examples listed in paragraph 2.5 but may still lead to the possibility of an applicant being bypassed. The Panel is therefore able to anticipate problem cases and agree an action plan under which an offer may or may not proceed.
- 2.5 The following is a list of examples that landlords may use to bypass an applicant due an offer of accommodation. They include but are not limited to:
- (i) Incomplete information;
 - (ii) Not eligible for property type
 - (iii) No response to offer within predefined timescales;
 - (iv) A sensitive letting;
 - (v) A restriction placed on rehousing; and
 - (vi) Non adherence to a debt repayment plan.

- 2.6 Other instances where a landlord may need to bypass an applicant due an offer of accommodation include where:
- (i) the applicant may be vulnerable and considered not yet ready to sustain a tenancy; or
 - (ii) it is considered there may be a risk to the applicant or others and a sensitive let may need to be planned.
- 2.7 It is not possible to describe every situation where an applicant may be bypassed. Individual cases that fall outside the criteria will need to be discussed by the Housing Assessment Panel. However, it is important that vulnerable applicants do not end up being bypassed because of a lack of pre offer planning resulting in an offer not being made because of a lack of information or of an appropriate support package.
- 2.8 Where there are applicants who are extremely vulnerable or considered to pose a risk to themselves or others the case should be submitted to the Housing Assessment Panel meeting to decide whether they are ready to sustain a tenancy and what support package is required so that an offer of accommodation can be made.
- 2.9 The type of information to be considered by the Housing Assessment Panel may include:
- (i) details of any long-term illness, health problem, or disability that requires specific or specialist housing, care or support;
 - (ii) details of other care and support needs, for example because of vulnerability due to learning difficulties;
 - (iii) details of proposed, existing and previous packages of care provision provided by statutory or other bodies where known;
 - (iv) relevant and reasonable information with regard to previous history of anti-social behaviour that might impact on the safety of the community; or
 - (v) type of accommodation moving from and any additional available accommodation history.
- 2.10 The reasons that applicants are bypassed will be recorded on the common housing register IT system and monitored to ensure compliance with the by-passing criteria.
- 2.11 Unless paragraph 2.12 applies, the landlord will be required to inform an applicant by telephone, email or letter of the reasons why they have been by-passed. This is to allow the applicant to address the reasons why they have been by-passed and to prevent this from happening again in the future, e.g. non-compliance with a debt repayment plan.

The landlord will refer the applicant to the common housing register team to receive advice and assistance on preventing them from being by-passed.

- 2.12 The landlord will not be required to inform the applicant when the by-pass is undertaken because the applicant does not meet the required property related criteria, i.e. for sensitive lets, non pet access etc.
- 2.13 Any dispute arising from the refusal by a landlord to make an offer of accommodation to an applicant where any partner believes this is contrary to the agreed policy shall be resolved in accordance with the following procedure:
 - (i) Within 2 days of a concern being raised, the Council's nominated officer shall meet with a nominated officer from the landlord where the claim is that an offer has not been made for a reason not covered in the policy and all parties shall use all reasonable endeavours to settle the dispute amicably, in good faith.
 - (ii) If the dispute cannot be resolved through (i) above it will be referred to the Council's senior officer with overall responsibility for the common housing register and, depending on the organisations involved, the Council's Chief Housing Officer or Chief Executive of the housing association, who shall use best endeavours to discuss the matter within 2 days of the dispute being referred to them and shall use all reasonable endeavours to settle the dispute amicably and in good faith.
