Notes for businesses

- As the food business operator of the establishment you may request that your new rating is published on www.food.gov.uk/ratings before the period in which you can appeal against the rating has elapsed
- Please use this form and return it to the Food Safety Team at the address on the bottom of this form.
- The Food Safety Team will review your request and the rating will usually be published early. If there are any issues or queries, such as the Food Safety Team needing to confirm your position within the business, they will contact you.
