REGISTERED PROVIDERS
DOMICILIARY CARE SERVICES

SEPTEMBER 2022

N.B Members of the public making use of this information should note that: The organisations listed below are on the County Borough Councils Registered Provider List for the provision of Domiciliary/Home Care. This means that the Directorate of Social Services is happy to consider these organisations when it is intended to purchase Domiciliary/Home Care Support for those people whom it has assessed as needing the service under Section 47 of the National Health and Community Care Act 1990.
This list is for information purposes only. Being on the Registered Provider List is not an endorsement by the County Borough Council of the organisation or a guarantee of the quality of its service to general customers. Furthermore the County Borough Council cannot be held liable for any decision that you make based on the information given on this list.
