

DO NOT SCALE

**HEALTH, SAFETY & ENVIRONMENTAL INFORMATION**

**Note:**  
It is assumed that the work undertaken will be carried out by a competent Contractor who is aware of all generic risks associated with the works. Listed below are significant risks relating to the works:

The Client must ensure that a construction phase plan is drawn up before the construction phase begins and that the Contractor responsible for ensuring that the plan is drawn up adequately addresses the arrangements for managing the risks.

**KEY**

- Vehical Diversion Route
- Groes faen Road closure extents Closed
- Pedestrian diversion Route
