Effaith Gyffredinol	Rheswm	Rhif y llun
<b>Cyfyngiadau parcio arfaethedig yn Maes-y-Garn Road, Oakdale</b>		
Effaith darparu llinellau melyn dwbl fydd atal parcio, a fydd yn gwella problemau diogelwch ar y ffyrdd a mynediad.	Y rheswm dros ddarparu llinellau melyn dwbl ar Maes-y-Garn Road, Oakdale, yw bod rhieni'n parcio ar hyd y ffordd sy'n achosi problemau gwelededd wrth i blant groesi'r ffordd yn ystod oriau ysgol. Mae cerbydau hefyd yn parcio'n amhriodol yn ffordd bengaead Maes-y-Garn Road sy'n gul iawn ac ar draws tramwyfeydd preswylwyr, sy'n achosi problemau mynediad a rhwystr. Bydd darparu'r cyfyngiadau hyn yn atal y math hwn o barcio rhag digwydd ac yn gwella diogelwch ar y ffyrdd a gwelededd yn y manau hyn.	TM/2024/13

**Order No 34) 2024**

**Proposed parking restrictions on Maes-y-Garn Road, Oakdale**

**STATEMENT OF GENERAL EFFECT AND REASONS**

General Effect	Reason	Drawing Number
<b>Proposed parking restrictions on Maes-y-Garn Road, Oakdale</b>		
The effect of the provision of double yellow lines (DYLs) will be to prevent parking which will improve road safety and access issues	The reason for the provision of DYLs on Maes-y-Garn Road, Oakdale is that parents are parking along the road which is causing visibility issues when children crossing the road at school times. Vehicles are also parking inappropriately in the Maes-y-Garn Road cul-de-sac which is very narrow and across residents' driveways, which cause access and obstruction issues. The provision of these restrictions will prevent this type of parking occurring and improve road safety and visibility issues at these locations.	TM/2024/13
